Dear Burlington Family Dental patient,

I hope this letter finds you well. I would like to take this opportunity to thank you for your trust and confidence for allowing me to be your dentist for the last 17 years. It is with mixed emotions that I am announcing my retirement and my move to Sanibel, Florida.

I'm excited to inform you that our own Dr. Orla Baker is the new owner of Burlington Family Dental. Most of you are already familiar with Dr. Baker and her obvious love of teeth and all of her patients. Our entire staff remains the same, so you'll still see the same friendly faces every visit to our office. Dr. Sherry Chan will also remain with the practice and continue maintaining the same personal and professional relationships she has established over the last 19 years at BFD.

Dr. Baker grew up in the Midwest, but has been a Massachusetts resident since attending Boston University School of Dental Medicine, where she graduated Cum Laude. She's been practicing dentistry for 15 years and has been a Burlington resident for the last 10. Her three beautiful daughters all attend Memorial Elementary, so you'll definitely keep running into them around town. She's beyond thrilled to call Burlington Family Dental her own, and can't wait to see you all at the office soon!

I wish you all the very best in life and dental health in the future.

Sincere and warm regards,

Dr. John Aloia, DMD
